## **Background**

Access Fund Request 009-17 (Appendix A) is a request for funds to install a new accessible ramp at Community Services, 210 Wolfe Street. The current ramp at this location is incorrectly sloped and makes it difficult to enter the building and use the automatic door opener. During the Accessibility Audit conducted at 210 Wolfe Street on August 21, 2017, the need to replace the ramp was recorded.

Access Fund Request 010-17 (Appendix B) is a request for funds to enhance the accessibility for all users and patrons attending the Evinrude Centre, 911 Monaghan Road. The accessibility enhancements will include the installation of automatic door openers and updated signage.
