Part C Continued – Access Fund Request Details

Reason for Request

Information to consider including:

- The number of people who use (or will use) the facility/product;
- Will the request impact staff, the general public or both;
- Explain the expected impact that the accessibility upgrade will have;
- Explain why the Access Fund Request is considered to be an accessibility upgrade.
- Explain the existing barriers that will be removed with the approval of the Access Fund Request.

New accessible ramp for the Community Services Department at 210 Wolfe St. Current ramp is incorrectly sloped.

Part D – Photo of Existing Conditions / Product Specifications

Insert, or indicate if attached, photos of areas affected or product specifications.
(Examples include: area of renovation, area where equipment will be placed, equipment specifications.)

Separate PDF attachment that shows where the proposed ramp would be located.

Part E – Accessibility Office Use Only

Date request received	September 26, 2017
Comments	During the Accessibility Audit conducted at 210 Wolfe Street on August 21, 2017, the need to replace the ramp was recorded. The push button for the automatic door is located on the slope portion of the current ramp.
Submitted to	Trish Reed, Accessibility & Communication Specialist
