Re: Shed at Riverside Park

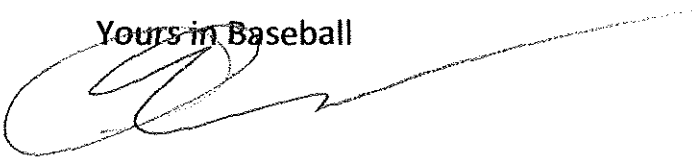

Attn: Peter Southall

Peter, I am writing this letter as you requested at our meeting regarding the shed at Riverside Park. At our meeting we discussed the destruction of the existing shed and the setting of a bunker in its place for now. Unfortunately the City was unable to share costs of this project; therefore we said we would cover the costs hopefully to a point of approx. \$20,000.

We hope that this letter of comfort will allow the City to proceed with this project in order to get rid of a dangerous building and to give both the City and ball diamond a bunker to make use of for the time being.

Any questions please feel free to contact either Scott or myself.

Yours in Baseball
