To the Chairman,

My name is Tom McCutcheon, and I am the Chairman of the Kawartha Lakes Chapter of Muskies Canada Inc. We are a non profit organization and our membership dues and fundraised money go towards research and conservation of Muskellunge.

I am writing to you to request permission to use the T-Wharf on Crescent Street. We would like to use this location to instruct new members of our angling club the proper techniques of casting and lure presentation. I am unsure of a date as yet but we would likely be looking at sometime in early May, 2011. I also do not know how long we would need the facilities for because this is the first time we have tried this type of a gathering. I would guess at a maximum of two to three hours.

Thank you for your consideration of our request.

Sincerely,

A handwritten signature in cursive script that reads "Tom McCutcheon".
