BUDGET AND FINANCIAL IMPLICATIONS

There are no budget or financial implications resulting from the approval of the recommendation of Report APRAC13-007.

BACKGROUND

Council approved a partnership with Fleming College (CSD11-024) on December 12, 2011 to construct two artificial sport fields, sports field lighting, fencing, spectator areas, and a field house on the grounds of the College. Council also approved a partnership with the Kawartha Pine Ridge District School Board for sport field improvements of the Thomas A. Stewart Secondary School (TASS). The improvements to TASS include the conversion of their natural turf field to artificial turf, replacement of the 6-lane running track to an 8-lane all-weather track and the addition of sports field lighting, fencing and spectator areas (CSD12-016 and CSD12-032).

The Manager of Facilities & Special Projects, who is leading project implementation, will be presenting an update to these two projects at the February 26, 2013 meeting of the Arenas, Parks and Recreation Advisory Committee.
