Mayor Daryl Bennett
c/o City Hall, 500 George Street North,
Peterborough, Ontario K9H 3R9

Dear Mayor Bennett:

Re: Potential Partnership - New Official Size Baseball Diamonds

Trent University and the City maintain a close collaboration on many issues. I was pleased to learn that the City is currently looking for potential partners to work with the municipality on building new official size baseball diamonds. Trent University has a strong interest in partnering with the City on this endeavour.

The University is currently in its final round of consultations with internal and external community stakeholders in creating a comprehensive and inclusive long-term plan to develop sections of its Endowment Lands over the next several years and decades with the expected Board mandate in April.

Increasingly, we are forging stronger connections and I look forward to our potential collaboration with the City of Peterborough on this new initiative. I have asked that this matter be placed on the agenda of the next City-University Liaison Committee meeting.

Sincerely,

A handwritten signature in black ink, appearing to be "S. Franklin", written over a horizontal line.

Steven E. Franklin, Ph.D.
President and Vice-Chancellor
