To: Members of the Arenas Parks and Recreation Advisory Committee

From: Mary Gallop, Manager, Facilities & Special Projects

Meeting Date: March 17, 2014

Subject: Report APRAC15-015
West End Splash Pad – Plan Presentation

Purpose

A report to present the plan for the west end splash pad at Kinsmen Civic Centre.

Recommendation

That the Arenas Parks and Recreation Advisory Committee approve the recommendation outlined in Report APRAC15-015 dated March 17, 2015, of the Manager of Facilities and Special Projects, as follows:

That a presentation by the Manager of Facilities and Special Projects be received on the plan for the west end splash pad at the Kinsmen Civic Centre.

Budget and Financial Implications

The total net \$437,372.11 requirement, after applicable HST rebates, for the design-build of the west end splash pad can be accommodated within the approved budget of \$443,762, allocation within the 2014 capital project #6-7.01.

Background

The west end splash pad project at the Kinsmen Civic Centre was reviewed by the Arenas Parks and Recreation Advisory Committee on January 27, 2015 in staff report APRAC15-006. A proposal call was issued to firms to design and construct the project and it closed on February 26, 2015. Two proponents made submissions that were reviewed by the Manager of Facilities and Special Projects, the Recreation Coordinator, the Urban Design Planner and the Parks and Forestry Supervisor.

ABC Recreation Limited is the recommended proponent for the design-build of the west end splash pad and playground. Their submission scored the highest in terms of design for water play and playground features.

This firm has completed other similar projects in Burlington, Toronto, Vaughan, Newmarket and Peterborough, to name a few. Their references were excellent.

The Manager of Facilities & Special Projects will present the layout plan at the March 17, 2015 meeting of APRAC.
