Background

Members of the Arenas Parks and Recreation Advisory Committee received a report on February 25, 2014 to discuss the outcomes of Arena Needs Assessment Study and next stages of the project (APRAC14-023).

Following City Council direction in March 2014 and September 2014, City staff has been actively working on a plan for a replacement facility for Northcrest Arena. The investigation culminated in the issue of a Request for Expression of Interest (RFEI) to seek partners and land options for a replacement facility for Northcrest Arena.

The Manager of Facilities & Special Projects will provide an update to the Committee on the most recent developments for a site, partners and facility at April 21, 2015 APRAC meeting.
