Trent University Presentation

Purpose

A report to recommend that the ACHAC receive a presentation on Trent University's program for assessing the heritage value of the campus.

Recommendation

That the ACHAC approve the recommendation outlined in Report ACHAC17-006, dated April 13, 2017 of the Heritage Resources Coordinator, as follows:

That a presentation from Michael Eamon, Principal of Traill College, on the University's heritage inventory process be received for information.

Budget and Financial Implications

There are no budgetary or financial implications associated with this recommendation.

Background

Dr. Michael Eamon is the Co-Chair of Trent University's Heritage Stewardship Committee. Over the past four years leading up to Trent's 50th anniversary, the committee led a process to raise awareness about the unique heritage of the University. In conjunction with the heritage consulting firm ARA, the University has undertaken an inventory of its heritage resources and produced a Heritage Stewardship Policy (attached as Appendix A). ARA also undertook a Cultural Heritage Evaluation Report of the Bata Library in advance of the renovations scheduled for that building. Dr. Eamon will provide an overview new policy, the inventory and the findings of the Bata Library report.
