## BACKGROUND

The City of Peterborough is proposing to construct a central, multi-use programmable space in the central area of the City. The creation of such a space was one of the recommendations of the Central Area Master Plan. The Plan was adopted by Council in 2010. Bruce Cudmore of EDA Collaborative, Inc. has been retained as the planning consultant for the downtown square design study. Mr. Cudmore will be in Peterborough on November 23<sup>rd</sup> and will be holding a workshop for members of the ACHAC, the Peterborough Architectural Conservation Advisory Committee and the Arenas, Parks and Recreation Advisory Committee. Members of the Library Board have been invited to attend as well. The purpose of the workshop is to receive input from the City's advisory committees about the design of the square. It will be held from 6:30 to 8:30 pm at the new Lawn Bowling Club located at 577 McDonnell Street.
