FROM: Becky Rogers, Manager Arts, Culture and Heritage Division

MEETING DATE: May 10, 2012

SUBJECT: Report ACHAC12-008
Lily Lake Functional Planning Study Presentation

PURPOSE

A report to inform the Committee that Brad Appleby of the City's Planning Division will attend the May 10, 2012 ACHAC meeting to provide an update on the Lily Lake Functional Planning Study currently underway.

RECOMMENDATION

That the Arts, Culture and Heritage Advisory Committee approve the recommendation outlined in Report ACHAC12-008 dated May 10, 2012, of the Manager of Arts, Culture and Heritage as follows:

That the presentation by Brad Appleby of the City's Planning Division be received for information.

BUDGET AND FINANCIAL IMPLICATIONS

There are no budget or financial implications resulting from the approval of the recommendation of Report ACHAC12-008.

BACKGROUND

A presentation will be made by Brad Appleby regarding the Lily Lake Functional Planning Study now underway. The development of these lands could have a profound effect on the natural and cultural heritage landscape of the Jackson Creek basin.

Under the Ontario Heritage Act, Council can designate areas as cultural heritage landscapes and protect land from development that would adversely impact the attributes of the cultural landscape. This process is being used to good effect in Ontario to protect view sheds like those experienced from the Jackson Park trail. The presentation from the Planning Division will provide a good background from which the ACHAC may begin a discussion about the role of the Committee in the protection of unique cultural landscapes in the City.
