BACKGROUND

The Greater Peterborough Area undertook an exciting journey towards environmental sustainability through the development of the Integrated Community Sustainability Plan, known as Sustainable Peterborough. City Council approved the Sustainability Plan on April 2nd, 2012. The County of Peterborough, the 8 member municipalities, Hiawatha First Nation, and Curve Lake First Nation all followed suit, approving the Plan and becoming Community Sustainable Partners.

The adoption of the Sustainable Peterborough Plan has helped to strengthen our region for a sustainable future. Development and implementation of the Sustainable Peterborough Plan will ensure that our environment maintains its integrity, our communities are healthy and active, and that the vitality of our economy continues well into the future.

The Sustainable Peterborough 2012 Report Card is the first opportunity to celebrate the communities' sustainable accomplishments.
