

City of
Peterborough

To: Members of the Arts Culture and Heritage Advisory Committee

From: Erik Hanson, Heritage Resources Coordinator

Meeting Date: May 14, 2015

Subject: Report ACHAC15-022
Update Presentation on the Gateway Project Design

Purpose

A report to receive a presentation providing an update on the Gateway project.

Recommendation

That the Arts Culture & Heritage Advisory Committee (ACHAC) approve the recommendation outlined in Report ACHAC15-022 dated May 14, 2015, of the Heritage Resources Coordinator as follows:

That a presentation by the Planner, Urban Design be received for comment.

Budget and Financial Implications

There are no budget or financial implications resulting from the approval of the recommendation in this report.

Background

On March 9, 2015 Council deferred Report PLPD15-015 regarding the design of the City's gateway signs to enable staff to review further sign options, consult with applicable advisory committees and consider additional sign locations, such as the south entrance to the City, on Highway 115.

At the March 12, 2015 meeting of ACHAC, the committee received a presentation from Brian Buchardt, Planner, Urban Design regarding the design of the gateway. The committee provided initial comments on the proposal. On May 5th the project steering committee met to review an updated design and to provide direction on next steps. Planning Division staff will make a presentation to the ACHAC and seek comment prior to bringing the revised designs back to Council at a subsequent Planning Committee meeting.
