Dear Mr. Ronson:

Re: Notification of funding from the Government of Ontario

I am pleased to advise you that the Government of Ontario has approved funding of up to \$9,000,000 over three years to support the redevelopment of the Canadian Canoe Museum in Peterborough.

As part of Ontario's plan to create a strong economy and strong communities, this funding will support the design and construction of the new facility for the Canadian Canoe Museum.

Staff from my Ministry will be in contact to provide details necessary for the development of a funding agreement between your organization and the Ministry of Tourism, Culture and Sport. Once signed, funding for the project can begin as project milestones are achieved.

If you have any questions, please contact Shannon Todd, Museum and Heritage Programs Advisor at 416-212-8050 or by email at Shannon.Todd@ontario.ca.

I wish you and your team every success in meeting the goals of this important initiative.

All my best,
